ASA Electronics® announces the addition of Jayson Rainsberger to their IT team

FOR IMMEDIATE RELEASE

ELKHART, IN. – ASA Electronics brought Jayson Rainsberger onto their IT team as the company’s network administrator. With an impressive background in information technology, Rainsberger is ready to jump into his new position.

“I enjoy working on new projects. One of my favorite aspects of my job is that I never know what I am going to be working on each day, so it feels like every day is different,” Rainsberger said.

A graduate from Rochester College with a Bachelor of Business Administration, Rainsberger majored in Management of Information Systems. He has almost 15 years of experience working in the information technology field specializing in systems management and facilitating new projects.

“Jayson has an excellent skill set to analyze where communications are going to be needed, create and communicate plans for the network, ensure ASA is up-to-date on the latest technology, as well as understand and determine the hardware and wiring requirements,” Julia Willis, V.P. of Finance said.

ASA Electronics® has been designing and manufacturing mobile electronic products for the Marine, RV, PowerSports, Agricultural, Construction, Commercial Vehicle, and Bus industries since 1977. Their proprietary brands are JENSEN®, JENSEN Marine®, JENSEN Heavy Duty®, Marine Audio®, Voyager® and ADVENT® Air. ASA is also a distributor in specialty markets for SiriusXM® Satellite Radio and Polk Ultramarine® products. For more information, please visit www.ASAElectronics.com.
