## **ASA Electronics® Develops Accessory Power Strip for Agricultural Market**

FOR IMMEDIATE RELEASE

ELKHART, IN. – ASA Electronics is bringing increased functionality to the agricultural market with the JENSEN® JHDPS1 Accessory Power Strip. The JHDPS1 adds 15 AMPs of power and multiple outlets to virtually any size cab.

The power strip offers three 3-pin AMP standard plugs, a 12 volt DC lighter plug, and two USB outlets (one 1-AMP, one 2.4 AMP). The additional plugs make it easier than ever to power multiple monitors simultaneously within the vehicle.

The JHDPS1 can be easily flush-mounted either horizontally or vertically to fit in virtually any space, and is designed to work in any AG tractor, combine, or motorized farm equipment.

ASA Electronics® has been designing and manufacturing mobile electronic products for the Marine, RV, PowerSports, Agricultural, Construction, Commercial Vehicle, and Bus industries since 1977. Their proprietary brands are JENSEN®, JENSEN Marine®, JENSEN Heavy Duty®, iN-Command®, Marine Audio®, Voyager® and ADVENT® Air. ASA is also a distributor in specialty markets for SiriusXM® Satellite Radio, Polk Ultramarine®, Klipsch®, and XKGLOW® products.
