## **ASA Electronics® Garners Recognition from Newmar Corporation**

FOR IMMEDIATE RELEASE

ELKHART, IN. – ASA Electronics has been awarded the Newmar Corporation’s “Certificate of Excellence” for the second year in a row. We are proud to be one of the few companies to earn a place on Newmar’s 2018 Distinguished Vendor list.

“The entire ASA Electronics team strives to provide the best product and customer experience possible, and this proves that goal is being reached. We know this is something that Newmar considers very carefully, and we are so honored to have earned this award for two consecutive years,” said Jeff Gray, ASA Electronics National OEM Sales Account Manager – RV and Trailing.

Newmar names distinguished vendors every year based on the results of detailed internal surveys. A supplier must earn an overall score of 196 out of 201 points to be recognized. ASA electronics would like to thank the Newmar Corporation for this honor and congratulate our fellow 2018 honorees.
