ASA Electronics® to Demo New Products at RV Open House

FOR IMMEDIATE RELEASE

ELKHART, IN. – ASA Electronics is inviting RV Open House attendees to their Elkhart headquarters for in-person demonstrations of their products. The company has outfitted their custom fifth wheel with all the bells and whistles, including brand new products like the JENSEN® JWM20 Cube-shaped stereo and the iN-Command® Tire Pressure Monitoring System.

A 2019 GMC Sierra will also be on-hand to demonstrate connectivity with iN-Command Control Systems with Global Connect™. The latest generation of the system is compatible with select 2019 and 2020 GMC Sierra and Chevrolet Silverado Heavy Duty trucks. Select functions of iN-Command can be controlled through the myGMC and myChevrolet apps for Android and iOS devices. These functions can also be accessed through the truck's in-dash infotainment system using Android Auto and Apple CarPlay.

ASA Electronics is conveniently located at 2602 Marina Drive off County Road 6, right in the heart of the Open House festivities. Demonstrations will be conducted by appointment only, from Monday, September 23rd through Thursday, September 26th. To schedule a time, please contact Jim Hess by email at jhess@asaelectronics.com.
